

The regularly scheduled Longview City Council meeting of December 14, 2006 was opened and adjourned to the date of December 21, 2006 at 7 p.m. in the City Council chambers.

Such adjournment was made for the health and safety of the Council, staff and citizens as a result of the anticipated high winds of that evening.

A notice and order of this adjournment was placed on the doors of the City Council Chamber and on each set of doors of entry to Longview City Hall.
